Introduction

Why become a Chorister?

For children with a love of singing, there can be few more rewarding experiences than being a Chorister at Canterbury Cathedral.

Choristers benefit from a world-class musical education, and enjoy the opportunity to perform the greatest choral music ever composed to the highest standards alongside professional musicians in a UNESCO World Heritage Site of unparalleled majesty and beauty.

Many Choristers will participate in recordings for major record labels, will sing in services that are broadcast on national radio and television, and will sing at concerts in Canterbury and further afield at prestigious venues and high-profile festivals.

Choristers make lifelong friends with children who share their passion and enthusiasm for music. The Chorister experience teaches them the valuable skills of independence, organisation and dedication; it also boosts confidence and the capacity to work as part of a team. These are skills that will serve them in good stead, no matter what path they choose to pursue in later life. Choristers benefit from pastoral and emotional care, and support from the Cathedral's Music staff.

Many Choristers go on to hold choral and singing awards at leading universities. In recent years, destinations have included Merton College, University of Oxford; The Queen's College, University of Oxford; Clare College, University of Cambridge; Trinity College, University of Cambridge; King's College London; Royal Holloway, University of London; Guildhall School of Music & Drama, London; Royal Academy of Music, London; Royal Conservatoire of Scotland.

Membership of the Choir is free. Additionally, Choristers receive weekly singing lessons and musicianship tuition.

For all enquiries about the Cathedral Choir, please contact us at music@canterbury-cathedral.org.

Who can become a Chorister?

There are two groups of Choristers: one of boys aged 7-13, and one of girls aged 12-18. These groups ordinarily perform separately, taking an equal share in the activities of the Choir and singing alongside adult professional singers, known as Lay Clerks.

Choristerships are open to children attending any school in the local area; there is no requirement to attend a particular school, or to board at the Cathedral.

Boys generally audition during the summer term whilst they are in Year 2 (aged 6-7), and join the Choir when they start in Year 3 (aged 7-8).

Girls usually audition during the summer term whilst they are in Year 7 (aged 11-12), and join the Choir when they start in Year 8 (aged 11-13).

The Director of Music, David Newsholme, is always happy to hear from prospective Chorister parents/guardians. You are warmly encouraged to contact him via music@canterbury-cathedral.org to discuss the opportunities open to your child, and to arrange an informal audition at any time.

The audition process

The Director of Music is looking primarily for children with a love of singing, with a flair for performing, and with a good musical ear (i.e. an ability to recognise and imitate pitch and rhythm). Whilst previous experience of singing or playing a musical instrument is welcomed, it is by no means essential.

Auditions, which are informal in nature, generally last between 10 and 15 minutes. All prospective Choristers will be asked to:

- participate in a warm up;
- sing back pitches played to them on the piano;
- sing scales (no previous experience necessary);
- clap back a rhythm clapped to them;
- read out loud (not sing!) a passage from a book, which will be given to them in the audition;
- sing the first verse of the hymn *O praise ye the Lord* by C.H.H. Parry. Resources designed to help candidates prepare this hymn will be made available online.

A conversation between Cathedral Music staff, the prospective Chorister and their parent(s)/guardian(s) forms the final part of the process.

All auditions take place at the Cathedral. Audition dates, together with an online application form, will be available at www.canterbury-cathedral.org/music. Candidates will be informed whether or not they have been successful within a few days of the audition taking place.

Boy Choristers

Pre-Probationer Choristers

During their first academic year with the Choir (usually Year 3), boys are known as Pre-Probationer Choristers (Pre-Probationers or Pre-Pros for short). Pre-Probationers attend the Cathedral twice each week for 45 minutes and follow a specially-created programme designed to introduce them in a gradual and carefully-structured way to the fundamentals of singing and an understanding of music.

Pre-Probationer Choristers' weekly schedule

Tuesdays	from 4.00pm	Tea (Lodge)
	4.30pm	Gather
	4.45pm	Rehearsal with Probationers (Schools Department)

At this early stage, Pre-Probationer Choristers do not generally participate in any Choir events.

Probationer Choristers

During their second academic year with the Choir, boys are known as Probationer Choristers (Probationers, or Probs for short). Probationers follow a reduced schedule which is designed to introduce them in a gradual and carefully-structured way to all of the routines and requirements of being a full Chorister. During this year, boys start singing with the full Choir on an occasional basis at Evensong on Tuesdays.

In addition to the weekly routine listed above, Boy Choristers take part in a range of exciting activities, including special services, recordings, television and radio broadcasts, and concerts. Details about these are circulated in a termly Dates List.

Leaving the Choir

Boys generally leave the Choir at the end of Year 8, when they are aged 12-13. Occasionally, boys' voices will begin to change before the end of the academic year. In such circumstances, the Director of Music will hear the boy sing, usually two or three times, to assess the situation. Should it prove that a boy's voice has significantly changed, the Director of Music will discuss the situation with the boy, together with his parent(s)/guardian(s), and a decision will be taken as to when the boy will leave. Please be assured that these situations are handled as sensitively and carefully as possible.

Drop off and pick up

Boy Choristers are welcome to arrive at the Cathedral Lodge for tea from 4.00pm on weekdays. All boys are required to be at the Lodge no later than 4.30pm. Parents/guardians are asked to ensure that they sign their sons in with a member of staff at this point.

At weekends, all boys are required to be at the foot of the Dean's Steps no later than 3.50pm on Saturdays, and 9.20am on Sundays. Again, parents/guardians are asked to ensure that they sign their sons in with a member of staff at this point.

At the end of the session, Boy Choristers should be collected from at the foot of the Dean's Steps. Parents/guardians are asked to arrive promptly, and to ensure that they sign their sons out from a member of staff.

Parents/guardians are welcome to wait in the Cathedral Precincts for their children. The Cathedral Lodge has a bar which is open every day of the week, at which Chorister parents/guardians are eligible for a 10% discount. For more information, please visit www.canterburycathedrallodge.org

Parents/guardians are welcome to park in the Cathedral Precincts when their son is on duty with the Choir. Please note that, to ensure the safety of pedestrians in particular, the speed limit in the Precincts is 5mph. Should parents/guardians wish to drive into the Precincts, they will be asked for details of their vehicles before their son joins the Choir.

Access to the Precincts before 6.00pm is via the Burgate entrance; after 6.00pm, cars can enter via Christ Church gate in the Buttermarket. This area is accessed via the pedestrianised section of Burgate, which is blocked by automated bollards. Parents/guardians can request entrance by pressing the button and talking on the intercom to a member of staff at the Council; on the way out, they should be careful to wait for the green light to show. Please note that the Cathedral is in no way responsible for the operation of these bollards.

Attendance and absence

Boy Choristers are expected to attend all Choir commitments. However, we understand that this is not always possible, especially in the case of illness. Where there is such unavoidable absence, please contact both the Director of Music, David Newsholme, and the Music Administrator, Jo Pearsall, at music@canterbury-cathedral.org, giving as much notice as possible.

Chorister tea

Chorister tea is provided at the Cathedral Lodge. This usually consists of squash, sandwiches and cake. Parents/guardians will be invited to provide details of dietary requirements for their sons before they join the Choir. While tea is available from 4.00pm for those who want it, please note that attendance is not required until 4.30pm.

Musicianship sessions

Pre-Probationers and Probationer Choristers receive musicianship training as part of their group sessions on Tuesdays and Thursdays in the Schools Department Lunch Room. From September 2024, full Choristers who joined the Choir in September 2023 or later will receive group tuition for an hour every Saturday at 3.00pm.

From 2024, full Choristers who joined the Choir in September 2023 or later will receive one-on-one singing tuition. Details of where and when these lessons will take place will be communicated with parents/guardians during the 2023/24 academic year.

Solos

Some of the music which the Choir sings contains passages to be sung by soloists, or groups of soloists. The Director of Music is responsible for ensuring that these solos are distributed appropriately, and that the level of challenge is suitable for the boys who sing them. He makes every effort to ensure that all boys are given adequate opportunity to develop their solo voice during their time in the Choir. Please note that the final decision for allocation of solos always rests with the Director of Music.

Clothes and robes

Boy Choristers are generally free to dress as they please when attending the Cathedral. However, please note that dark socks and black shoes must be worn during services.

When performing with the Choir at Cathedral services, all singers wear purple robes, called cassocks, and white robes, called surplices. These are provided and maintained by the Cathedral; they are kept in a vestry at the Cathedral.
